

FRIENDS OF DOWNTOWN

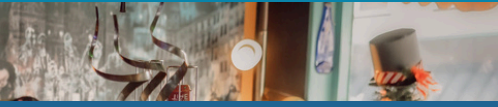

Friends of Downtown is a community of people who believe in the future of Downtown Washington.

Open to anyone—individuals, families, business owners, property owners, organizations, and supporters near and far—who share a passion for downtown vitality and want to play a role in its continued growth and revitalization.

Whether you live downtown, operate a business in the district, grew up here, or simply love what Downtown Washington represents, becoming a Friend of Downtown means standing behind the mission, vision, and projects that strengthen our community. Your support helps fuel beautification efforts, business development, events, public spaces, and long-term revitalization initiatives that make downtown a welcoming place for all.

Together, we invest in connection, creativity, and a thriving downtown that serves today's community and future generations.
